Company Information:

Do you want to be a part of an organization which is fighting a competitor which has been around for 2500+ years - CASH? Very few industries in India have been as challenging and exciting as the digital payments space, especially after Nov 8. This is primarily because very few industries lie on the cusp of cutting edge technology, a very long tail of Small & Medium Enterprises, a young and attractive target demographic and stringent but quickly evolving government regulations. If you truly enjoy solving real problems faced by a billion folks and all of this, amidst ambiguity and with some motivated folks, MobiKwik may be the perfect place for you. Rarely do folks get a stab at solving problems which will outlive them - Mobikwik is solving quite a few of those. Now ... your move!

Some Facts
MobiKwik is an Indian wallet major with a network of over 10,00,000 direct merchants and 45 million plus users. Founded in 2009 by Bipin Preet Singh and Upasana Taku, the company has raised three rounds of funding from Sequoia Capital, American Express, Tree Line Asia, MediaTek, GMO Payment Gateway, Cisco Investments and Net1. MobiKwik has also launched 'MobiKwik Lite', an under 1 mb app that works seamless on EDGE connections in November 2016.

One of the leading digital payments platforms for online and offline merchants, MobiKwik is powering payments for IRCTC, Uber, Meru Cabs, Amul, AIIMS, Big Bazaar, OYO Rooms, Zomato, PVR, Archies, WHSmith India, BookMyShow, Grofers, Big Basket, Dominos, Burger King, Pizza Hut, eBay, ShopClues, Myntra, Jabong, Pepperfry, Barista, Food Panda, Nearbuy, Van Heusen, Allen Solly, Louis Phillips, GoDaddy, MakeMyTrip.
